EXPERIENCE

HeyOz
Product Design & Growth + Engineering
Jun 2026 — Present

Product design, growth, and engineering at HeyOz, an AI ad-creative platform for DTC brands and agencies.

Vyro
Product Design & Growth
2025 — Jun 2026
On-site, Islamabad, PK

Drove design across ImagineArt and Chatly, scaling the shared design system and owning AI features end to end, with every flow built to move conversion and ROAS.

Engineering. Used Figma MCP and Claude Code to prototype and test roughly **10x** faster, cutting design-to-dev handoff friction.

Growth & Data. Ran Mixpanel funnel analysis across **1.13M** signups, isolated a segment converting at **0.43%** vs a **1.04%** baseline, then shipped the fix.

Chatly
Feb 2026 — Jun 2026

Owned design across the full product, from core surfaces to the activation and revenue flows. Rebuilt the referral system end to end (**50% off** referred, **7,000** credits per upgrade) and rewrote the paywall into **three** A/B-tested variants.

sxtudios
Founder
2025 — Jun 2026
Islamabad, PK

Independent studio delivering product design and brand work for early-stage clients, prototyping in code to compress concept-to-ship timelines.

Parhlai
Product Design, Marketing & Growth
2025 — Jun 2026
Islamabad, PK

Drove product design, marketing, and growth for an ed-tech platform, scaling from digital marketing into a growth-consulting remit owning acquisition and retention.

Growth Consultant
Jan 2026 — Jun 2026

NorenzTech
Lead UI/UX Engineer
2024-2025
Rawalpindi, PK

Owned both interface design and the front-end build for the company's products — designing in Figma, shipping in code.

easytect UG
UX Designer
2024
Westerburg, DE · Remote

Designed product interfaces for a German software team, reworking core flows to make them easier to use.

Earlier roles
Marketing & Creative
2022 — 2025

Graphic Designer at ACM Pakistan (2022 to 2024), plus marketing and creative-lead roles at Career Konnect and Shadiyana (2025), owning brand and campaign output across each.

EDUCATION

National University of Sciences and Technology (NUST)
BS, Computer Science
2022 — 2026
Islamabad, PK

SKILLS

Design. Product & UX design, interaction design, design systems, prototyping, responsive layouts across breakpoints

Build. Front-end and HTML prototypes, AI product building, prompt engineering, agentic dev tools

Growth. Paywall and upgrade flows, pricing and credit packs, referral systems, onboarding, conversion copywriting, A/B testing

Data. Mixpanel funnels and retention analysis, GrowthBook, defining the metric a design should move

Tools. Figma, Mixpanel, GrowthBook, Notion, AI image and video models (Kling, Seedance, Veo, Nano Banana, fal API)
