

Syed Sarib Sultan

Product Designer / Growth / AI Builder / Product Engineer

Islamabad, Pakistan | +92 333 5788859 | sadakhan2002@gmail.com | linkedin.com/in/syedsaribsultanyac270

SUMMARY

Product designer and CS graduate working on consumer AI apps at Vyro (ImagineArt and Chatly). I cover UI/UX, onboarding, pricing, and the growth work that connects them, and I build as well as design - prototyping with code and AI dev tools when it helps ship faster.

EXPERIENCE

Associate Product Designer

Dec 2025 - Present

Vyro / ImagineArt & Chatly • Islamabad, PK

- Design UI/UX, onboarding, and feature flows for ImagineArt and Chatly across image, video, and music generation.
- Built out the pricing pages and upgrade modals, including the flow for migrating legacy users onto new plans.
- Run experiments on activation and conversion using PLG and habit-loop thinking, tracked in Mixpanel.
- Write the product specs that hand my designs off to engineering.

Chief Executive Officer

Mar 2025 - Present

sxtudios • Islamabad, PK

- Founder and CEO of a design and marketing studio with a multi-person team.
- Bootstrapped 5+ companies, from early-stage startups to established brands, with high-end design and marketing systems, leading the team across brand, product, and growth.

Head of Marketing

Oct 2025 - Present

Parhlai • Islamabad, PK

- Lead marketing and growth; started as Digital Marketing Consultant (Jun - Oct 2025) setting up acquisition and content.
